

Regional Office for Coordination of Developmental Policy Education in Central Ruhr

The Regional Office supports the community engagement from One World groups in the central Ruhr region. The region includes the cities of Bochum, Herne, and Gelsenkirchen, along with the district of Recklinghausen.

The Regional Office

- Supports the establishment and maintenance of local One World Centers and Networks
- Provides advice and support to local leaders
- Supports the lobbying work of local actors
- Works as a leader for One World themes and campaigns in the region

The Regional Office offers the following services

- The One World Workshop as a center for learning and meeting
- Training for regional One World leaders
- Newsletter about events and other important information
- Extensive Media Library with books, movies and other resources available to check out
- Arranging speakers and experts
- Advice on educational projects, campaigns and actions
